*Blended Annual Percentage Yield is accurate as of January 26, 2018 and assumes interest earnings remain on deposit until maturity. Interest rate goes up .50% on the yearly anniversary date. Initial interest rate is 1.50% for year one, 2.00% for year two, 2.50% for year three. Withdrawal penalty is 24-months' interest. No interest penalty for early withdrawal on anniversary dates. Full redemption required. The \$2,500 minimum balance (and all interest paid and compounded) must remain in the CD to earn the advertised annual percentage yield. Public funds are not eligible for this offer.
