*Annual Percentage Yield is accurate as of May 15, 2018 and assumes interest earnings remain on deposit until maturity. \$2,500 minimum opening balance (and all interest paid and compounded) must remain in the CD to earn the advertised annual percentage yield. You can elect to "bump up" to prevailing interest rates two times during the 60 month term after the account is open for at least 12 months. Withdrawal penalty is 24-months' interest. Public funds are not eligible for this offer.
