Accept Credit, Debit & Payment Cards

With more and more consumers relying on plastic cards to buy goods and services, accepting card payment is nearly a must. Through a partnership with BancCard, Planters Bank offers bank customers the ability to accept a variety of payment card options, including credit, debit and stored-value cards at point-of-sale terminals, online ... or even from mobile devices.

AT A GLANCE

- Allow your customers to pay you using their credit, debit or stored-value card.
- Accept all major card brands or even foreign cards.
- Equipment options to suit your needs, including point-of-sale terminals, online gateway or mobile-connected devices.
- 24/7 Support through our partner BancCard.

Advantages

- **Available to All Types of Merchants** – With partnerships with all four of the top processors in the industry, we can quickly board and place all types of merchants.
- **Optional Acceptance for All Brands** – Including Visa, MasterCard, Discover, American Express, Diners Club, JCB, UnionPay and foreign cards.
